THE COUGAR 1967

We, the Senior Class of 1967, dedicate our yearbook to Mrs. Fran Zylstra, who has inspired and guided us through our last two years of high school.

To the Class of 1967

After having completed twelve long years of school, you will be facing a life of your own making. It is true that you will encounter defeat as well as success no matter what occupation you may pursue. Just remember that the successful people in life are the ones who have risen after defeat.

I have enjoyed having each and every one of you in class, and I'm certain you shall never be forgotten. It is my prayer that you will all have a very happy and successful life. May God bless each of you in the future.

There are thousands to tell you it cannot be done,
There are thousands to prophesy failure;
There are thousands to point out to you one by one,
The dangers that wait to assail you.
But just buckle in with a bit of grin,
Just take off your coat and go to it;
Just start to sing as you tackle the thing,
That cannot be done, and you'll do it

Edgar A. Guest

Sincerely
Mrs. Zylstra
